Meet the Manager:

Dusty Worsley, Executive Director

Hello Garden's Family, My name is Dusty Worsley, and I am the Executive Director here at The Gardens at Calvary. I have been in my current role since August 2021; however, I have roots that run much deeper at Calvary Ministries. My mom served as Brother Don Wilhite's secretary in the 1990's, and during that time I attended Calvary Baptist Church and Calvary Christian School. As Brother Don once told me "You have Calvary in your DNA". I have been married to Janine for 12 years, and we have two awesome little boys Easton (11) and Hudson (9). We are active members of Calvary Baptist Church and both boys attend Calvary Christian School. In my free time, I enjoy playing golf and fishing.

Thank you!!

This summer, Tennyson has held music therapy sessions with the Gardens residents as part of her degree program internship. Through this summer program, she has been trying to promote socialization, coordination, pain relief and increased mental and emotional well-being for the residents. We've made many wonderful memories together in sessions as well. She has so enjoyed her time and hopes you all did too.

Employee Appreciation Week

Lights, Camera, Action!!

Stay tuned for upcoming information on Employee Appreciation Week, October 16-20, 2023.

Our theme for the week is TGAC Cinemas presents...

“AT THE MOVIES”

Help us show our employees how much we value and Appreciate them all!
