Notes from The Heart

I have enjoyed living at the Gardens at Calvary for the past year and a half. All of my daily responsibilities are taken care of for me including meals, laundry, and housekeeping. The staff is very helpful and friendly. The atmosphere at the Gardens is welcoming, making residents feel happy and friendly towards each other. My family has peace of mind knowing that I love being here. I've made good friends, and someone is always here if I need assistance.
